

## **Gordon Wooley, Ohio State Conductor.**

Gordon joined Milton Union FOE #3621 in 1997 to meet new friends. He became active immediately, filling in where needed. He became a dual member of Tipp City FOE #2201 in 1999. Later transferring to Tipp City Aerie #2201, Gordon says that along the way, he has learned that the FOE is much more than just cheap drinks and has served all Aerie offices except Inside Guard and Treasurer.

He has also served all District Offices except V-Chairman. He served 2 years as DSP and has held all offices in the Southwest Zone except Treasurer.

Gordon has served on many charities and currently is serving as Regional Chairman for the Heart Fund and State Chairman for Kidney Fund.

Gordon began his career following in the footsteps of his Father, Brother and Brother-in-law by becoming a volunteer fire fighter with the West Milton Fire Company. He was later hired by the City Of Troy Fire Department as a fire fighter/paramedic, retiring after 27 years of service.

Gordon met his wonderful wife, Robin, in 1999 through an acquaintance at the Eagles (a fellow bartender and future daughter-in-law). Between them they share 8 children, 20 grandchildren and 7 great grandchildren(1 on the way). Gordon and Robin enjoy meeting new friends through the Eagles, taking trips on their motorcycle, and of course raising money for many charities. He is also known to go by the alias of "THE MAD HATTER", a nickname given to him by a Past State President.
